**Sri D. M. SIDDIAH.**—For the question (a) “ whether any estimates have been prepared for a project near Gosaisgudde, for Annehole in Chatra Hobli of Nanjangud Taluk ”, the answer is ‘ No ’. But, the estimate is prepared and it is going to irrigate about 2,000 acres. Is the answer given correct ?

†**Sri S. NIJALINGAPPA.**—The answer is correct.

**Sri D. M. SIDDIAH.**—Is it not a fact that when your goodself visited the place, people made representation about the importance of this project ?

**Sri S. NIJALINGAPPA.**—Those representations were made to me not as Chief Minister, but at some other time. This is not the place that was investigated, but some other place was investigated. It was found that it is not feasible to take up this project as the area proposed to be irrigated is low and the return will be poor.

**MR. SPEAKER.**—Question time is over.
